

Your 2019 Commitment to Community Supported Agriculture

Share Size:

We intend for our CSA share to be enough food to feed a couple of vegetable lovers or a household of 4 who use vegetables daily in their diet. Shares will run for 24 weeks, most likely from the week of May 21st through the week of November 5th for a total of 24 pick-ups.

We offer a half share option whereby members choose to pick-up a share of produce every-other week. Half shares run for the length of the season for a total of 12 pick-ups.

Payment:

Your up-front payment makes CSA possible. Thank you! All shares are available on a sliding scale basis. **Please pay as much as you are able to!** A small amount more makes a large difference in our budget. We appreciate your support!

Sliding Scale: We invite you to pay for your share according to your financial abilities; for 24 weeks, our full share ranges from **\$785-935** (approximately \$33-\$39 per week); our half share ranges from **\$420-500** (approximately \$35-42 per week). We budget for members to pay an average of **\$860** per full share or **\$460** per half share; paying more allows us to keep shares affordable for others, while ensuring farmers a livable income. If our share price is out of your budget, or, if you need a flexible payment plan (other than the one listed below) please contact us at 610-365-8212.

Member Commitment:

I am committing to support Good Work Farm for the 2019 growing season. I understand that my farmers will be using sustainable and chemical-free practices to provide me with a healthy, balanced and bountiful share. I realize, too, that farming varies from season to season and within a season, and despite careful planning and hard work, my share of the produce is susceptible to weather, insects, disease, and other acts of nature. I understand that it is my responsibility to pick up my share at Good Work Farm or at Switchback Pizza, during the above hours, and if I cannot pick-up my share or have it picked up by family member or friend, I will notify my farmer, and understand that my share will be donated.
